

HIGHER EDUCATION STUDENT HARDSHIP FUND POLICY AND INFORMATION 2024-25

If you would like this publication in an alternative format, please call 01603 773773 or email information@ccn.ac.uk.

Purpose

The HE Hardship Fund is a limited, non-repayable discretionary bursary fund used to provide grants to undergraduate 'home' (eligible for home fees) students to relieve financial pressures, so that they can concentrate on their studies and remain in higher education. The fund can be used to:

- Help towards living costs not already met from other sources.
- Assist students in financial hardship.
- Provide emergency payments to deal with unexpected financial crises.
- Help students who are considering leaving their courses due to financial problems.

Please discuss your situation with your HE Student Support Officer (Hannah.Brown@ccn.ac.uk) before applying for this help. You can also contact our Finance Advisors who will be happy to signpost you to organisations who can help with budgeting and/or debts.

Please note that the HE Hardship Fund cannot help with tuition fees and there is no guarantee of an award upon application. Please read about the HE Hardship Fund guidance below before applying.

Eligibility

The HE Hardship Fund is available to current and active students (meaning you have not withdrawn or intercalated) on higher education programmes at City College Norwich and Easton College.

The fund is available for HE students (including apprentices) who have a gross household income of less than £22,000 (or £30,000 if you have a partner)

For students who have applied for a maintenance loan through Student Finance England (SFE), you must be able to provide evidence of an SFE award letter showing assessment of household income providing you with the maximum maintenance loan given your circumstances, whether you are living at home, or away from home.

The Fund is **not available for** international students studying on a student visa.

Please note, you will only be considered for help from the Hardship Fund if you have made realistic plans to cover your tuition fees (where applicable) and living costs. You must also have applied for any Government statutory support for which you are eligible.

Priority within the Fund

Priority will be given to students from traditionally underrepresented groups in Higher Education, as defined by the Office for Students, who may experience financial barriers that may otherwise negatively impact on their studies. Of these groups, particular emphasis will be placed on: -

- Lone parents
- Disabled students (especially where DSA is unable to meet certain costs)
- Students who are Care Leavers

- Students who are Carers
- Students who are estranged from their parents.
- Students from Low-income families
- Mature Students
- Students from Polar4 Quintile 1 and Quintile 2 postcodes, with the following checker used to confirm this <https://www.officeforstudents.org.uk/data-and-analysis/young-participation-by-area/search-by-postcode/> NB please enter your Parent(s)/Guardian(s) postcode in the case of dependent students.
- Students facing a significant barrier to learning as the result of the imposition of any new local / national lockdowns (i.e. as a result of a pandemic) that may lead to a greater reliance on remote teaching.

When to apply

Applications can be accepted from 1st October outlining your financial needs.

How to apply

Applications can also be made electronically via email to the financial advisers at financialadvice@ccn.ac.uk . For a MS Word copy of this application form, please contact the HE Student Support Officer at Hannah.brown@ccn.ac.uk

You can also pick up an application form from the reception desk at Norfolk House or the Advice Shop at the College's Ipswich Road campus, or via Easton College's Student centre. Please note that the Hardship Fund does not cover tuition fees.

How your application will be assessed

Your application will be assessed by a panel of staff from the Student Services department.

Maximum Claims

Given that there are limited funds available, individual student's claims against the fund may not normally exceed £1000, in any one academic year. This is so that as many students as possible can benefit from this support. Applications will be treated on a first come –first served basis, noting the priority groups for support as outlined above.

Timetable for making a decision

Provided your application form has been accurately and fully completed and all necessary evidence submitted an assessment and decision will be made within **4 weeks (term time)** of submission. If successful, you can expect to receive a payment within 7-10 days of your email notification (see below). Please be aware that in exceptional circumstances, it may take longer to process applications.

Welfare Benefits

Please note that payments from this hardship fund may impact on your entitlement to welfare benefits, so please check with your benefits provider before applying.

How you will be notified about the outcome of your application

We will email you with confirmation of the outcome of your application.

Appeals

In the event of your application being refused by the college, you will have the right of appeal. In the first instance, contact the Finance Advice Team with more information. If this does not resolve the matter a further

appeal can be made in writing and addressed to the Assistant Principal Student Services for consideration by the Appeals Committee. You will be sent a response within 10 working days. You should bear in mind that the Hardship Fund Panel's original decision will normally be upheld if no new evidence of your financial hardship is forthcoming. However, you may choose to make an official complaint to the college. A complaints form is available from the Advice Shop reception desk.

Commented [HB1]: I'm not sure if we would contact these providers directly, or whether we would ask to see receipts?

Commented [HB2]: Also not sure we ever follow up on this .. Perhaps we give a time frame, if the student withdraws within 3 months of receiving the money we may request part or all of this back?

In addition to this, where a student has asked for us to cover the costs of a specific bill like car repairs, cost of a course, laptop etc, that we see a receipt of that purchase within an agreed time frame? Could set a standard time frame of say 1 month that we can alter if needed, i.e. if the student can't get access to proof of purchase in that time.
