Grants

Grants will be paid to eligible SMEs to subsidise the costs of upskilling, training and retraining staff, sourced by our superb network of local training provider partners in Norfolk and Suffolk, or SMEs can procure further afield if they cannot meet your needs.

Business needs analysis

Training providers can provide a business needs analysis with each company to define current needs and look at bespoke training opportunities in line with the funding rules.

Funding flexible training

PTF will fund flexible training, from Level 1 to Level 7, which can be accredited or non-accredited.

It can be whole qualifications, modules or units and is intended to address those key skills that employers are lacking in these 'must have' areas:

- ✓ Digital Skills and Industry 4.0, Leadership
- ✓ Management, Project Management and Mentoring
- ✓ Customer Service and Client Relationship Management
- ✓ Health and Well-being
- ✓ Innovation training – for new ideas, ways of working, products or services, Net Zero preparations

All the courses listed in this prospectus are eligible for financing from the Pathways Training Fund.

Each Training Provider's full range can be found by clicking the link above.

All courses must be completed by September 2023.

Please click the link for more information and to download the Guidance and an Eligibility Form.
